RE: Chapter 11, BKY Case No. 08-41984
Donald Andrew Driggs
Matter No. 888127

I am filing a written objection under FED.R.BANKR.P 3017-1(a). And request a motion to be made under Loc.R.BANKR.P. (D.MINN.) 3017-1(a), that I am contesting treatment of class 10, 11 and 12 assets. They are claiming that the asset at 2925 Casco Pt. is only worth \$700,000. Hennepin County has the estimated market value at almost \$900,000 and the county is usually low when they place this value on property taxes. In addition the property type is Residential-Lake Shore. Lake property has been holding its value in today's market. We estimate that the true value is in excess of \$1,100,000.

To conclude we want JT & TJ, Inc's mortgage to remain secured on the property for \$100,000.

Thanks for your consideration of this matter.

Best regards,

Terrence J Magill,
President
